ANAL ANTICS

The girl was cute as a button and hot as a firecracker; she had lust in her eyes from the minute we met. We danced as long as they were playing slow music so I could hold her tight against me, and then we went upstairs to find an empty room. While my fraternity brothers and her sorority sisters practiced slam dancing, we fell into bed in a tangle of arms and legs and one very hard and eager cock.

Her cunt was raw and musky, the scent of pure sex. I lapped at it eagerly, while dollops of pre-cum leaked from the end of my tool. She squirmed around to get her lips on my cock, and we shared a hot moment of simultaneous sucking. Then she backed off. What the hell?

She was dancing naked from the rumpled bed, and a nasty leer spread across her teasing face. Naked, she bent to fish something from her purse. A tube of lubricant. Then she returned to the bed to lie on her belly. "Fuck me in the ass," she said. "Use plenty of this stuff."

"In the ass," I said, my voice a bit hollow. "I've never done that before."

She grinned and wiggled her perky butt. "First time for everything."

So I slicked up with plenty of lube and positioned the tip of my cock between her butt-cheeks. "Do it," she said, gripping a pillow. "Put it inside me. Ram it in!"

I didn't want to just ram it in, so I pressed harder and harder until her sphincter spread itself for me and she gasped into the pillow. The gasp turned into a little moan as I buried the entire shaft inside her. Finally I was able to lie down on her back, and whisper into her ear. "You like that?" I asked gently.

My
gosh,
just
do it
already

I turned 26 a couple months ago and discovered my lady was cheating on me. I dropped her as fast as I could and have found this wonderfully weird lady on my rebound.

My ex was very conservative and we fucked mostly in the missionary position. That is when we did fuck. She rarely went down on me and even more rarely let me go down on her.

So perhaps our splitting has turned out to be a

"Yes," she gasped. "Now fuck me. Fuck me hard."

I gave her one slow stroke and she moaned. "Fuck, you're teasing me," she said, and I started fucking her slowly. I hadn't known what to expect, but it felt really good. Her asshole was tighter than any cunt I'd known, and it gripped my shaft hard as I slipped in and out. Hell, it was tighter than any sucking mouth I'd ever had either, and it honestly seemed as if her asshole had even more milking muscles. Her turd tunnel pasted itself to the contours of my cock, so that I was being stimulated at every point, no matter how gingerly and slowly I tried to move. It was so tight that I couldn't help wondering how she could handle it.

Yet her butt was humping like crazy beneath me, and there was urgency rather than panic in those moans. "Harder, damn it," she hissed. "I might be built small, but I'm not going to break. Harder, harder. Make me feel it!"

Her words alone should have been enough to convince me. But I had the additional evidence of the pre-orgasmic shudders that rippled through her bowels. Her sphincter was twitching and thrashing like a cunt on the brink of orgasm. You couldn't fake such an intense reaction, either. My cock was the ultimate truth detector, because it was wedged in a place where I could feel every muscle vibrating.

Inevitably I accepted that she really was getting off on having her butt fucked, and that there was no way I was hurting her. With a manic little growl, I answered her screams of "Harder!" by picking up the pace of my fuck-strokes. She humped beneath me, meeting my thrusts with upward thrusts of her butt. At some point she slipped a hand beneath her own body and started fingering herself. That added a couple more additional wiggles and rolls to the movement of her

entire lower body.

It took me by surprise when she came. I guess I really just couldn't imagine a girl getting off to that degree on being fucked back there, but she certainly did. When she started shaking, her sphincter fluttered, and I realized my time was up, too. Her butt-hole squeezed me right into my own orgasm, and I flooded her hole with sperm as she shook and moaned beneath me. Our joined bodies flopped like a hooked fish out of water. We were gasping about as frantically as landed fish too.

As we slumped in exhaustion, I caught the sound of a soft giggle outside the door. Fuck. Somebody was obviously listening in on our private party. I looked at the girl, and she looked back at me with glazed eyes. The sound of the giggle grew louder. Then, before I could decide what to do, the door (which I was sure I'd locked) came flying open. It was another sorority girl, a brunette instead of a blonde, but otherwise quite similar in build and body type to the one I had in my bed.

"What about my ass, baby?" she asked with a purr.

"What?" I stammered. "What about your own date?"

She shrugged. "Too many Jello shots. Anyway, I can always trust Delia to train a man to handle a butt right."

The blonde giggled, too and scooted over to make a place on the bed for her friend. I watched in shock as the first girl stripped the second, getting her nice and naked for me. "You don't mind if I watch, do you?" my original partner asked. "I just want to make sure you learned your lesson well."

My cock had already expressed its opinion. It was rock hard again, looking and feeling like it hadn't fucked in days instead of minutes. If it was cool with the girls, I figured it was cool with me.

good thing for me. My new lady, however, is more experienced and sometimes just a bit too aggressive for me.

She has sucked me for hours until I thought the skin on my cockhead was coming off. We screw in every position imaginable, but here's the thing: she wants anal sex! And I've never done it.

She says it makes her cum more intensely and is kinda turned on by my anal virginity. She says she's learned that couples who do it have a much calmer and positive relationship than those that are more uptight about it. I probably would agree.

Grabbing for the fresh slice of ass, I took aim and began to ease through the tight, twitching corridor to bliss. Since I'd already come once that night, I figured I'd be able to pleasure the brunette's butt-hole for a minimum of 20 minutes. And I did.

RELATIONSHIP – OPEN

Ever since I found out my husband was cheating on me, I've tried to change for the better. That is: maybe it was me that contributed more than I thought to the situation. He opted for a younger, leaner woman, not the soft cupcake he came home to every night. Granted, he shouldn't have done it in the first place, but that can't be changed now. And, no, I'm not misdirecting the blame onto myself. The bastard did what he did and I promise he's not going to do it again. One thing did come out of it, we've become more open and honest in our relationship, and strangely, I feel more secure now than I did before it happened.

So I began a workout routine at the gym and hired a personal trainer to make me concentrate and keep me focused. Her name was Shelby and she was hot as hell, tall, dark hair, nice tits and an ass anyone would die to have and smack for that matter. As the workouts progressed, there was a lot of flirting going on between us and the occasional grabbing of my breasts.

Today was no different, Shelby teased me that since I had been working out, it looked like my ass was getting smaller, and she'd slap me on it. After about four months and a tremendous improvement on my part, we became more workout partners rather than trainer and pupil.

Shelby would run on the treadmill next to me, jump rope with me, go through entire aerobics workout with me and lifting weights,

too. We got really sweaty from the workout and I blurted out, "I'm gonna take a shower. You want to save water and join me?" Shelby laughed and said "Sure." This kinda shocked me but Shelby grabbed my hand and we headed towards the ladies locker room together.

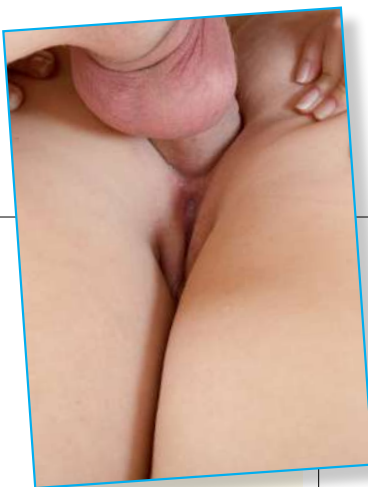

I turned on the shower then walked over to Shelby in her shower stall and starting kissing her. Her lips were so soft and they felt good on mine. The kissing intensified as I could feel Shelby's hand on the small of my back pulling me in closer to her. Almost unconsciously I started kissing her breasts and then her nipples which were already hard. I just could not resist sucking on them. I leaned down and licked and suck on Shelby's breasts and I heard her moan.

Her shaven wet pussy looked so inviting, but I held off thinking I might be going to far. Shelby pulled me up and started kissing me slowly, kissing down her neck to her breasts. She circled my nipple with her tongue making my nipple hard and my pussy wetter. Shelby started rubbing my clit with her fingers. I pull away whispering that we shouldn't be doing this just loud enough for her to hear

my over the shower rain. Shelby put a wet finger to my lips to hush me up and started kissing me again as the water danced off our naked bodies.

As we kissed, our hands were wandering

She tells me that when her anus is stimulated, it has its own singular sensations.

While they are sexual and pleasurable, they are often more intense because that area will not be stimulated as often as the vaginal area. She says when she orgasms anally, she enjoys it immensely.

I guess I'm ready to try it with her, but I just needed to vent a little since this is a subject I just can't talk to my homies about. I probably won't send this letter if I don't do it with her. But then I might send it if I do. Then I can tell you, and me, what it was like.

— R. David

all over each other. I took the shampoo and started washing Shelby's long dark hair. I pulled her hair just a little and Shelby gasped and said "Do it again..." And so I pulled it again to Shelby's delight. I rinsed off Shelby's hair and made my way down towards her pussy.

Shelby spread her legs open wider the lower I got. I pushed Shelby's labia open and gently licked her pussy. Shelby moaned and I started gently licking her clit up and down, then stopped to gently suck it even harder.

Shelby's warm, soft pussy tasted good and I dove in deeper licking her slowly then a little bit faster. The water was splashing off my face, but I didn't care. Shelby spread her legs wider. I spread her lips wide open and dove in fucking her pussy with my tongue. Shelby moaned louder and I then slipped two fingers into her now dripping wet pussy. I starting sucking on Shelby's clit as my fingers moved in and out of her sweet pussy.

I could feel Shelby's pussy tighten up. Knowing she was about to cum made me go crazy licking her clit like a mad woman. Shelby put her hand on my head pushing her mouth harder on her clit. The build up was huge and Shelby came hard her whole body quivering. She came so hard she squeezed my fingers out of her pussy. Shelby then took my fingers that had been in her pussy and started licking her own juices off her fingers.

We smiled at each other, but then couldn't help but start laughing as the water fell on both of there naked exhausted bodies. We finished cleaning up, got dressed and kissed each other good night. For the next couple months we would finish off our workout in almost the same manner until one day Shelby got another client to train. I have not said anything to my husband because we women know how to keep secrets, especially one's like this. It has also made living with a cheater a bit more palatable. If you could, I know that you'd do the same.

Hey guys, I hope you like what you see. But this shoot is for the girls. All I did was think about pressing female flesh and having some sweetie stick me with the vibe. Yeah, I like that - a lot.

DO YOU LIKE MY FLEXIBILITY?

Searching for a romance novel, she found a new lover

What does a girl do when there's no romance in her life? She reads about it. She buys a romance novel that's either steamy, or sobby, or both by turns, and she loses herself in someone else's story.

That was the situation that found me at the bookstore that blustery April Saturday. As the winds howled round the corner of the building, the winds of change were blowing through my life; I just didn't know it yet. I hurried into the store, not because I was on any kind of tight schedule—since breaking up with Ted, I had plenty of free time!—but because I wanted to get in out of the cold. I had optimistically dressed for spring, but Mother Nature had other plans.

Without Ted, I was missing a few things in my life: sex, of course, and the companionship I had had with him, and the sense that something good might be growing, as far as our relationship was concerned. I hoped that losing myself in a few new romance novels would help my emotional state of being; as far as the sex was concerned, I had treated myself to a couple of new “toys,” though I found the two vibrators were really no substitutes for sex with another human being.

The romance section stretched quite a ways down one aisle. Near the end of it, the mystery section started. Somewhere around that juncture, a tall girl around my age with reddish-brown hair was avidly perusing the titles on the shelf. I wondered if she was a devoted romance reader and if she had any recommendations, so—never shy about talking to strangers—I asked her.

“Got any good romances you'd like to recommend?” I asked. “I'm in the market for a good romance.”

As I said, “...in the market for a good romance,” it occurred to me that could be taken two ways...and both of them would be true.

She shook her head with a rueful smile and said, “I don't read those. That kind of romance doesn't appeal to me. I'm browsing the mystery section.”

“Maybe the mystery is where all the good men have gone,” I said. “If that kind of romance doesn't appeal to you, what does—or did you just mean only real-life romances appeal to you?”

“Well, no. I...well, that's true too, but...” She gave a dismissive shrug, smiled, and returned to her examination of the books on the shelf.

But now I had begun to get an idea: Maybe male-female romances didn't appeal to her. Maybe she was a lesbian?

I had dabbled in bi sex myself, having had a few brief flings with other girls, though I had always seen them as interludes between real (read: male) lovers. Still, the idea of sex with another girl titillated me at the moment. It would be different—and different was a flavor I could appreciate. With that thought in mind, I sidled down the aisle and struck up further conversation with the lithe, lean, limber beauty.

I put a hand on the bookshelf right next to her hand. “What do you like?” I asked in a voice that was low for more reasons than just to avoid disturbing others in the store. Then I let my hand lightly touch hers.

To my gratification, she didn't freak. She looked at me with a spark of interest mixed with wary caution. “Shall I tell you?” she asked guardedly. I still knew how to suavely play the game.

“I'd like that,” I answered with a low-lidded smile.

“Mmmm.... I like receptive partners...with creativity...with warmth....and with imagination. I

like romances that are both tender and wild. I like responsive lovers, who show their excitement...and who give as well as taking. Why don't you tell me what you like?"

"I like passionate love-making with a sensuous partner who explores me all over and shows his or her [there! I'd said it—his or her] excitement openly and lets me know what he or she likes."

A pleased smile curled the corners of the girl's mouth. "What are you doing this evening?" she asked. "Oh...by the way, my name is Lana."

"Having dinner with you...and then enjoying the rest of the evening with you. Your place or mine? I can cook."

"On such short notice?"

"Piece of cake...which is not on the menu."

She laughed throatily at my joke while I wrote out my address for her. "Be there at six—and bring a bottle of wine if you'd like. I'll supply everything else."

"Dinner is secondary. If you're there, I'll be happy."

"I wouldn't miss it—but you'll get dinner too. You'll need fuel for energy."

"Don't fill me so full that I fall asleep."

"I won't let you. Trust me."

And so it was that at ten of six, eager Lana showed up on my doorstep with champagne ("It's a festive occasion—let's celebrate it in style") and some potted flowers. I welcomed her with a kiss and got a warm hug and lingering kiss in reply. My dinner turned out well, but we were both more intent on what was to follow.

As we sipped a second glass of champagne after dinner, we continued getting to know each other. I learned that Lana was a lesbian who had "dabbled in men," as she put it but decided that wasn't for her. And we talked about what we enjoyed in bed. Our tastes were happily similar.

Finally we put down our champagne glasses and went to my bedroom to enjoy each other.

I'd bathed already and so had Lana, but when she suggested a bubblebath together, I was all for it. As we undressed, I noticed her creamy, pale skin, the swell of her pert, mid-sized boobs with their large, dark areolae, and the auburn shade of her thick, luxuriant pussybush. Her hips were gracefully rounded, her butt heart-shaped and springy.

In the tub she washed me while I washed her—I had brought a second bar of soap in, but no washcloths; we used our hands to soap each other up. I slid my hand over the lush, firm swell of her breast and felt the steely hardness of the nipple drill into my palm. Squeezing the giving breastflesh, I heard an answering moan from Lana. I wriggled in the tub, too turned on to sit still, and hastily sluiced the soap off her boob so I could envelop it in my mouth and tickle the tender promontory with my tongue.

"Mmmmm," Lana purred, her body hot-wired for pleasure as my tongue traversed the little bumps of her nipple. "Suck it, too. And tongue it."

I did as she'd asked, drawing her whole breast into my mouth and

sucking on it as my tongue teased the underside of her breast, then letting it partway out of my mouth so my tongue could make contact with the rigid nip. Lana groaned responsively and reached for my breast, soaping her thumb first so it would skate smoothly across my quivering nipple. While I sucked on her breast, she thumbed mine, strumming it intently but with a whisper-soft touch.

And then her other hand came at me under the bubble-mounded water, slithering up my thigh, slowly but not at all hesitatingly making its way toward my female cleft. When she reached my pussy, she stroked my thick labes without trying to get inside the

slit at all. It was maddening, but she tortured me with intent to thrill as she stroked my soft muff underwater, teasing me without touch my clit.

Even when her fingers finally breached my aperture, parting the folds and entering my slit, she stayed cautiously away from the seat of my desire, choosing instead to torment me by sliding into the opening at a point behind my mini-mount. There she slid one finger up in my hole in itself, rubbing the nerve-rich walls that lined the entrance to my cave.

I twisted and writhed my bottom around on the bottom of that tub, feeling the heat suffuse me as I responded to her cleverly calculated torments. Well, two could play at that game...though I had a slightly different version of it in mind. Scrunching nearer to her I slithered one hand under her rump-cheek from the side and took aim at her backhole. One finger wormed its way inside her tight anal orifice and poked inside, inciting a yelp from Lana, who apparently had been taken by surprise by this maneuver.

But if surprised, she clearly wasn't displeased. She smiled like the proverbial canary-swallowing feline and moved even closer to me till our breasts were rubbing against each

other. Our mouths and hands had already abandoned each other's boobs, and so there was no impediment to a bit of boob play. As she swirled her finger around in my lust-tunnel and I finger-popped her butthole, our nipples rubbed against each other.

And then, with our breasts mashing softly against each other, we brought our lips in contact with each other's for the kiss that seemed only the natural thing to do. Lana's tongue and mine met at the entrances to our two mouths, each of us apparently with the same idea in mind: to invade the other's mouth and tongue-fuck it. Our tongues parried, twining around each other, swirling around and jabbing at each other while our fingers continued their torment of each other's inflamed openings and our boobs continued their mating dance.

But there came a point when we both wanted more. "Let me get you well washed," Lana said in a husky voice, soaping up my slit and, of course, sliding the soap over my clit as she did. Finally feeling my clit touched, I groaned loudly and hastened my assault on her bottom, rubbing her pussy with three soapy fingers that went straight to her clit and incited her sex-nerves to riot.

"Let's get out of here," Lana said. "I can't take much more."

But of course, we gave and took much, much more, starting with tongue-drying each other's body. We didn't start at each other's pussy or breasts; back to teasing, we licked armpits, thighs, tender bellies and sensitive necks...everywhere but the parts that called out for attention. And then, more wet than dry, we hurried out into the bedroom and lay down on top of the bedspread to press our bodies needfully together and undulate our way to ecstasy.

We lay on our sides, facing each other, our bodies making fish-like motions as we wavered and waggled

and pressed together. My pubic bone made contact with Lana's, and the pressure reached down to my clit. In an agony of need I thrust against her, gently at first and then increasingly harder as we mashed our bodies against each other in quest of much-needed orgasms.

Lana put a hand on my ass-cheek and pulled me tighter to her. I put my available hand on the nape of her neck and tickled it as she drew me hard against her. And with me caressing her nape and her demandingly holding me against her, we writhed and gasped as we climbed toward our much-needed orgasms, driving hard as we thrust in fuck-motions that grew ever more needful. We gasped. We sweated. I stopped to lick the sweat from her face, relishing the salty taste.

Then Lana made one little motion that made all the difference: She moved slightly so that instead of being leg-to-leg and pussy-to-pussy, one of her thighs was between my legs and one of my thighs was between hers. In this position, each of us had a thigh pressing on the other's pussy. Now we had hard pressure on each other's clit...and on our own. And now I knew finally that I was really about to get off.

"Yes...oh, babe, do it!" I gasped as I felt the fever rush over me. My

head swarmed with the buzzing of five hundred bees. My body went hot-and-cold. Goosebumps prickled all over my skin. I began to sob between gasps.

Lana urged me, "Yes... yes...yesssss!" Or was she urging herself? I couldn't tell. Her voice was rising ever higher, sounding more and more tremulous.

I think we exploded together, though to this second I can't be sure. I kind of lost consciousness or at least lost touch with reality. But when I drifted back to awareness, I felt as if I'd run the two-minute mile...or perhaps a marathon. My muscles all ached yet felt totally relaxed. And my pussy still throbbed in the afterglow.

If that makes me sound like I was totally satisfied, don't believe it. Oh, I was for the time being, but after retrieving the champagne bottle and our glasses, sipping another half a glass each, and cuddling and talking for half an hour or so, we were ready for the next round. This next encounter consisted of the two of us licking each other's clit languidly, trying to see how long we could torture each other and ignore each other's impassioned pleas to "Get me off...please!"

And then, later on, there were the vibrators, which we used on each other simultaneously, first buzzing each other's nipples before moving slowly and deliberately down each other's body to bring satisfaction—no teasing this time—to each other's clit.

I still like to read romance novels, but I'm no longer reading them because of any lack in my life. Lana and I are solidly together. Will I be content to do without guys forever? I don't know. I'm happy now. Now is what counts.

And Lana and I are co-writing a lesbian romance novel. I don't know whether it will sell, but it has plenty of steamy scenes in it, and I can't tell you how often we've had to walk away from the computer to go to the bedroom and relieve our pent-up desires.

But who's complaining?!
